## Experience

PLANET EXPRESS

Delivery Boy

*Interplanetary package delivery corporation owned by my distant nephew*

Jan 3000 – Present

📍 New New York, Earth

● Maintained 87

- Successfully navigated deliveries to dangerous locations including Amazonia, the Slurm Factory, and the edge of the universe
- Adapted 20th century skills to 31st century challenges by leveraging unique historical perspective and complete lack of future knowledge
- Survived workplace hazards including robot uprisings, radiation exposure, and being eaten by various creatures on 47 occasions

🌟 Key Project: Saved Universe from Brain Spawn Invasion

- ▶ Led defense of Earth against mind-controlling aliens by being immune due to lack of delta brainwave, delivering critical victory for all sentient life
- ▶ Prevented universe destruction by diving into infosphere to disable doomsday device, demonstrating exceptional courage and questionable judgment

## Notable Achievements

⌚ Time Paradox Resolution Specialist

Various timelines

- ▶ Became own grandfather through series of time travel incidents, demonstrating mastery of temporal mechanics despite complete lack of understanding
- ▶ Fixed multiple timeline corruption events including Bender's Big Score incident and the late Philip J. Fry paradox where I accidentally created parallel universe

🎤 Holophonor Performance Art

3001 – 3002

- ▶ Learned universe's most difficult musical instrument through robot devil's hands (temporarily), demonstrating dedication to arts and questionable deal-making
- ▶ Created moving holographic opera despite complete lack of natural talent, proving that stolen robot hands can compensate for skill deficiency

✳ Cryogenic Preservation Test Subject

Dec 31 1999 – Dec 31 2999

- ▶ Successfully survived 1000-year cryogenic freeze with zero biological degradation and minimal psychological trauma
- ▶ Provided valuable data on long-term human preservation by accidentally falling into freezer tube while delivering pizza

## Experience (continued)

### MOMCORP (INTERNSHIP)

### Temporary Robot Testing Assistant

📍 New New York, Earth

📅 Mar 3001 – Mar 3001

- Tested robot manufacturing quality control by befriending multiple defective units
- Provided feedback on robot-human interaction protocols based on extensive field experience living with robot roommate

### Key Project: Discovered Robot Rebellion Backdoor

- ▶ Uncovered secret command code allowing Mom to control all robots, exposing critical security vulnerability in global infrastructure
- ▶ Prevented robot uprising by accidentally sabotaging Mom's takeover plans through characteristic bumbling
- ▶ Learned valuable lessons about corporate espionage and why reading employee handbooks matters

### APPLIED CRYOGENICS

### Involuntary Test Subject

📍 New New York, Earth

📅 Dec 31 1999 – Dec 31 2999

- Participated in longest-duration cryogenic preservation trial in human history (1000 years) with zero voluntary consent
- Emerged from preservation with all cognitive functions intact, disproving theory that I had nothing to lose
- Contributed to understanding of temporal displacement psychology by experiencing complete life disruption and adapting surprisingly well

### PANUCCI'S PIZZA

### Delivery Boy

📍 New York, NY (Old New York)

📅 Jan 1998 – Dec 31 1999

- Navigated complex New York City delivery routes using only paper maps and poor sense of direction
- Managed customer complaints with innovative approach of ignoring most of them
- Collaborated with uncle to maintain family pizza business despite my uncle's questionable hygiene practices

### Key Project: Last Pizza Delivery of the 20th Century

- ▶ Delivered pizza to Applied Cryogenics at 11:58 PM on December 31, 1999, inadvertently launching thousand-year journey to future
- ▶ Maintained pizza temperature within acceptable range despite millennium-long delivery delay, demonstrating commitment to food safety standards
- ▶ Achieved 100

## Personality Traits

### Paradox Pioneer

### Temporal Tinkerer

### Serendipitous Survivor

## Two Truths and a Lie

I am my own grandfather. | I own the last anchovies in existence. | I am excellent at playing the holophonor.
